Dear Anthony,

This letter is to verify that the University of Colorado Phi Alpha Delta Pre-Law Chapter has received several award nominations and two placements over the years.

On October 26, 2016, the chapter was awarded with a national 3rd Place Award for Outstanding Recruiting Achievement. An impressive 109 new members were initiated that year!

In October 2018, you were named Most Outstanding Faculty Advisor of all Pre-Law Chapters across the country. You were nominated by the officers of the chapter at that time who wrote about your incredible support and passion for your position.

Under your guidance, the chapter has developed exceptional young leaders who will take the skills they have learned into their careers for years to come.

We appreciate your dedication to Phi Alpha Delta Law Fraternity and its core values of professionalism, service, diversity, innovation, courage, compassion, and integrity.

Fraternally,

A handwritten signature in black ink that reads "Andrew Sagan".
